Developing the learners and researchers of the future – the changing role of academic librarians

This event will cover IL and other skills support, research support/repositories/rdm, liaison activities and how we ‘join up’ our services with other services within our institutions to enhance the student experience.

**Audience:** Directors, subject/faculty librarians, research support librarians (or similar), service managers

**Keynote:** Professor Jane Core, Director of Academic Services, Northumbria University

*How the role of subject/faculty librarians is changing within a wider professional services context.*
